Rocky Mount Gateway Technology Center Camp Application**

The NC State College of Veterinary Medicine in partnership with the ECU/NCSU Collaborative at the Gateway Technology Center (GTC) will be offering a week-long, non-residential summer day camp for middle school students (rising 7th-9th graders). The GTC is located on the campus of NC Wesleyan College in Rocky Mount. The camp will be led by NC State Vet School faculty and students.

The camp will be from 9 a.m. to 3 p.m. Monday through Friday and lunch will be provided daily. The total camp cost is \$100 per student. A limited number of need based scholarships may also be available.

Application Process:

- 1) **Complete application.**
- 2) **Obtain letter of recommendation from teacher, school counselor or principal:**
The letter of recommendation must be written by a teacher or other school official and speak directly to the students' character, interests, abilities and suitability for attending the camp. Home school students may choose an adult who interacts with the student regularly.
- 3) **Student completes a statement on why s/he would like to attend camp.**
The student letter is very important in the selection process, so the student should take their time composing this statement.
- 4) **Obtain a letter of demonstrated financial need from the school counselor if applying for a scholarship.**
Scholarships can be requested for need based students. Since we do not wish to receive personal financial information from families, we rely on the schools to indicated demonstrated need. Generally, participation in free or reduced lunch program in an indicator, but other needs may be indicated.
- 5) **Mail all the above to:**
Marilynn Anselmi, Gateway Technology Center
3400 N. Wesleyan Blvd.
